AY 2023 application guidelines for the "Keio Engineering Foundation scholarship"

Details

1. Application period: January 6 (Fri.)-January 27 (Fri.), 2023

2. Eligibility: Applicants must meet the following conditions.
   (1) Those enrolled or planning to enroll in a doctoral degree program at the Graduate School of Science and Technology in the 2023 academic year; however, your period of enrollment must not exceed the standard period of enrollment for the degree program in which you are enrolled, including the year of admission.
   (2) Must be fully motivated to conduct research and be recognized as capable of producing excellent research achievements.
   (3) Must be able to participate in ceremonies and events hosted by the Keio Engineering Foundation.

3. Funding eligibility:
   Combination with AY 2023 internal scholarships is not permitted.
   Furthermore, receipt of another scholarship, a salary, or other financial aid will be taken into consideration in the selection process.

4. Number of students that will be recommended: 3 students

5. Scholarship amount: 700,000 yen

6. Scholarship duration: 1 year from April 2023

7. Items to submit:
   (1) Google Form (https://forms.gle/j7WwB9qQE6cwibJ57)
   (2) Transcript of academic record for undergraduate and graduate degrees
   (3) List of research accomplishments (prescribed form)
   (4) Recommendation of Academic Advisor for Scholarship Application
   *All prescribed forms can be downloaded from the website of the Faculty of Science and Technology. Submit (2) as a PDF through the Google Form. Only submit transcripts of academic record for doctoral programs if completed coursework falls outside of "Graduate Research 2". (3) and (4) must be submitted through an academic advisor. Academic advisors will be separately informed how to submit (3) and (4) by the Office of Student Services.

8. Screening method: Document screening only
   Note: The Graduate School of Science and Technology will treat your selection as a "recommendation." The Keio Engineering Foundation will conduct a final screening, and if you pass, you will be "selected."

9. Announcement of results: Late March 2023 (tentative)
