

## Japanese Classes at Graduate School of Science and Technology (Yagami campus)

Center for Japanese Studies

- ✚ Every course runs year round starting from the fall semester.
- ✚ For students who are complete beginners to Japanese, the most efficient way to learn Japanese is to take “JAPANESE 1 (A) + (B)” in the fall semester, then the “SPRING INTENSIVE COURSE” after the fall semester, and JAPANESE 1 (C) + (D) in the spring semester.
- ✚ The level-check test will be held at the first class.
