

2019 Academic Year

Keio University Graduate School “Research Encouragement Scholarship for Graduate Students” Additional Application Guidelines

The purpose of this scholarship is to assist with the development of researchers at Keio University who have a rich intellect and good social skill with leading specialists in their chosen field in the future, and who will actively contribute to global society through the furtherance of research. The provision of this scholarship will encourage academically distinguished students to enter graduate school, while continuing to promote graduate research at Keio University. Accordingly, the graduate school below is now accepting applications for the “Research Encouragement Scholarship for Graduate Students.” Students who are interested may apply in accordance with the guidelines stipulated below.

Application Guidelines

1. Closing Date for Application 4, April 2019 (Thurs.)

2. Eligibility Criteria Applicants must fulfil the following requirements:
